

Fremont Center Road Phase I Engineering Study

Public Hearing

Anticipated Phase I Study Schedule

**Tuesday,
August 22, 2017**
5 p.m. – 7 p.m.

Fremont Intermediate School Gym
28754 N. Fremont Center Rd.
Mundelein, IL 60060

Welcome

The Lake County Division of Transportation (LCDOT) welcomes you to this Public Hearing for the Phase I Engineering Study for the intersection of Fremont Center Road and IL Route 60. This hearing is conducted in an Open House format. We invite you to review the exhibits on display, talk with study team members and provide your written and verbal input.

Purpose of This Meeting

- Present Preferred Intersection Improvement Plan.
- Present Right-of-Way Impacts.
- Gather public input.

Questions, Comments and Information

Your comments are valuable to us. Completed comment forms may be submitted during the Public Hearing or submitted to the Lake County Division of Transportation by mail or email to the contact information below. Please return your completed form by September 5, 2017. Comments will be summarized and responses posted to the project website.

Mr. Darrell Kuntz, P.E.
Project Manager
Lake County Division of Transportation

Fremont Center Road
Phase I Engineering Study

Intersection Improvement – Fremont Center Road/IL Route 60

Key Features

- Fremont Center Road re-aligned to intersect IL Route 60 closer to 90° (75° v. 57°)
- New traffic signal
- Turn lanes provided for all turning movements
- New Fremont Center Road alignment matches potential future roadway network preferred alignments

Construction Cost Estimate: \$2.7 Million

Project Purpose and Need

- Address existing safety and operational improvement needs and future access needs, at a minimum, at the IL 60/Fremont Center Road intersection.
- Identify long range travel demand and transportation system improvement needs.
- Develop a staged transportation improvement plan.

Public Involvement Update - Stakeholder Involvement Group (SIG)

After Public Information Meeting #2, the Stakeholder Involvement Group (SIG) met for the third time. During SIG Meeting #3, the Project Study Group (PSG) presented:

- Fremont Center Road/IL Route 60 Intersection Improvement
- Future Roadway Network Preferred Alignments

- SIG Members include representatives from:
- IDOT
 - Fremont Township
 - Residents
 - Local Property Owners
 - Local Business Owners
 - Village of Mundelein
 - Village of Round Lake Park
 - Village of Grayslake
 - Fire Protection Districts
 - Lake County Stormwater Management Commission
 - Lake County Forest Preserve District

The PSG and SIG Members engaged in discussion regarding the proposed intersection improvements, potential future roadway network preferred alignments, and project schedule.

Next Steps

* The Feasibility Study will determine the potential future roadway network for the area bounded by Peterson Road, IL Route 60 and IL Route 83.
** Phases II and III as currently programmed. Subject to change based upon project readiness and availability of funding.
